From the Match Director's Saddle

The November Bristol Plains Pistoleros Cowboy Matches are now in the history books. Due to the threat of rain there was a very small turnout for the Saturday match. We did not know right up until the match starting time if Saturday's match could be held. Fortunately it did not rain. For the Sunday match we had a great turnout. Again the weather was some of the best we have had this season. Sunday's weather was as good as it gets. The scores from the October Match are posted on the BPP website.

The Bristol Plains Pistoleros will be holding a Wild Bunch Match on Saturday October 14, 2017. We will set up for the WB Match on Saturday morning. The WB Safety Meeting will be held at **9:45 AM** on Saturday followed by the WB Match at **10:00 AM**. October's Wild Bunch Stages are posted on the BPP website. Please contact one of our Match Directors if you have any any questions.

Weather permitting we will hold our last Cowboy Matches on November 11th and November 13th. The Stages for the November Cowboy Match are posted on the BPP website. Shoot straight and you will earn a total of nine Bonuses for the Match.

If the weather looks questionable before any match, please feel free to call one of our Match Directors (Contacts) for up to date information.

It is our goal to provide you with a safe and fun Cowboy Action shooting experience. We welcome your comments and suggestions. The Bristol Plains Pistoleros thanks you for supporting our Club.
