## From the Match Director's Saddle

The September Bristol Plains Pistoleros Cowboy Matches are now in the history books. The weather was some of the best we have had this season. Some Shooters shot both the Saturday and Sunday Match. The scores from the September Match are posted on the BPP website.

Prior to the start of Saturday's and Sunday's matches, a Troop of Young Marines held a very impressive Flag Raising ceremony. It was great to see a group of young people so interested in serving our country. Thank you Young Marines.

In the Fall of 2011 the Bristol Plains Pistoleros helped with the construction of Baffles on the Bristol Cowboy Range. At first the addition of Baffles was looked on with some disfavor. Actually the Baffles turned out to be a positive thing. The Baffle setup allowed us to add some permanent decorative props and enhanced the appearance of our Range. We also were able to reduce our tear-down time after a match. Please go to Page-4 of this Newsletter to view current pictures of our Range. Our most recent addition has been the addition of the Dakota Mining Company to Stage-4. Special thanks go to Dakota Denny and his wife Karen for their fine efforts in decorating stage-4 to look like an Old West Mining Company Office.

It is our goal to provide you with a safe and fun Cowboy Action shooting experience. We welcome your comments and suggestions.

The Bristol Plains Pistoleros thanks you for supporting our Club.

*Huckleberry, Rusty & Johnny*
