From the Match Director's Saddle

The August Bristol Plains Pistoleros Cowboy Matches are now in the history books. The weather was decent and we again had a very nice turnout. Some Shooters shot both the Saturday and Sunday Match. The scores and a slide show of the August Match is posted on the BPP website. The Bristol Plains Pistoleros thanks everyone for supporting our Club.

The Bristol Plains Pistoleros will be holding a Wild Bunch Match on Sunday August 20, 2017. We will set up for the WB Match on Saturday. The WB Safety Meeting will be held at 8:45 AM on Sunday followed by the WB Match at 9:00 AM. September's Wild Bunch Stages are posted on the BPP website. Please contact one of our Match Directors if you have any any questions.

September's Cowboy Stages are posted on the BPP website. When writing the stages, we make an effort to avoid being repetitive from month to month. We try to make the stages interesting and have the target sequence, props and story flow together as much as possible. Above all, safety is our top consideration. If you have any suggestions or have a particular sweep or scenario you would like to see, we would love to hear from you.

We are now into the summer season and the possibility of hot & humid weather exists. A relaxed dress code is permitted during hot & humid weather. Please remember to drink lots of fluids and stay hydrated. Also please keep an eye on your fellow shooters. If you see someone with the beginning signs of heat exhaustion, tell them to sit down in the shade and drink some water. Make the Posse leader aware that someone is having an issue with the heat. Please let the Match Directors or Posse Leader know if you have any special medical needs.

It is our goal to provide you with a safe and fun Cowboy Action shooting experience. We welcome your comments and suggestions.

Huckleberry, Rusty & Johnny
